COURSE DESCRIPTION – **Chocolate Candy Making 101**

Instructor: Patty Weatherwax

COST: \$30.00 per Student

Class time: 3 hours

During our class time together we will talk about the different types of chocolate, learn the proper way to melt chocolate, and put some of these techniques into practice by making a few samples of chocolate candies that student can take home with them.

During our class time, we will learn to use many of the tools needed in working with chocolate such as the plastic candy mold, and the small paper candy cups.

We will show you how to fill your candy, and how to create stand-alone chocolates.

Come join us and learn to create your own delightful chocolates that you, your family, and friend will love to share.
